Always By Your Side

A Private Medical Team Designed By Doctors For You

“ Our service was born out of a drive to ensure that private patients only get the best care there is available by the most renowned doctors and at the most affordable prices... ”

~Dr Francisca Osagie , Head Client Relations

More Than Doctors

Welcome To First Class Seamless Medical Journey

Founded and run by United Kingdom clinicians, we aim to provide an unrivalled level of service, excellence, and convenience designed to address your international health needs by ensuring that you are only treated by the best medical expertise the world has to offer.

Your healthcare is managed by licensed doctors with extensive clinical experience in world-renowned hospitals in the **United Kingdom, United States, Germany and the United Arab Emirates.**

Our doctors have reached the highest standards of excellence in their fields of practice.

Our group firmly believes in the value of a personal one-on-one medical assistance.

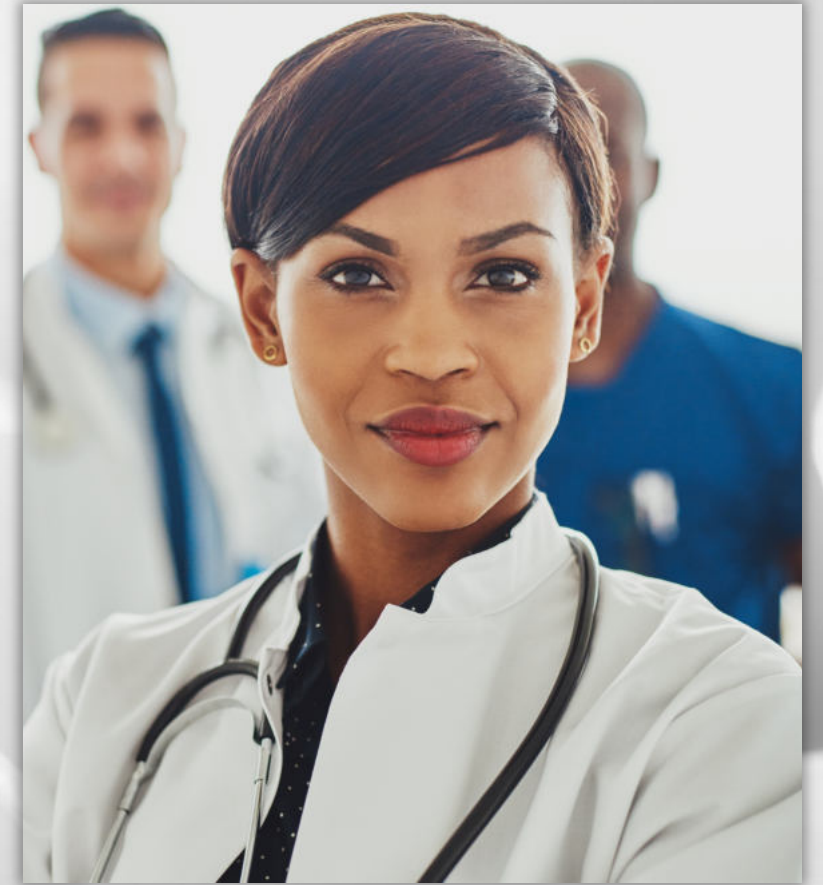

Our Philosophy

One Concept. Patient First.

Our #1 Priority is Premium Health....

A world-class unique and bespoke comprehensive healthcare concierge which provides holistic and multidisciplinary care tailored to the medical needs of private patients seeking international health care.

Our aim is to improve the medical, functional, and psychosocial outcomes of our patients with the support of our team of Medical Doctors, Surgeons, Health Consultants, Nurses, Physical Therapists, Nutritionists, Podiatrists, Fitness Professionals, and Personal Care Consultants.

“Optimization of health, wellness and reduction of health-related risks”

Excellent Experience

We Consider It A Privilege To Serve You...

“By joining Annomo Health, we guarantee an exceptional and extraordinary experience. Not only will you get the best care from the most renowned specialists worldwide, our luxury concierge services will manage what matters to you the most while you live your life...”

~Ona Amucheazi, Managing Director.

United Kingdom's Leading Premium Medical Concierge

Doctor Led

Our patients find it reassuring that the company is managed by doctors who are leaders in their respective fields with a huge network of world-renowned Centres of Excellence partnering with us to ensure our patients receive the highest standards of care. We are available **24 hours a day, 7 days a week, and 365 days a year** – professional medical care is only one phone call away.

World Class Experts

From Professors of Surgery to top cardiologists, your care will be by the most respected clinicians and hospitals in the United Kingdom, United States of America, and the United Arab Emirates. We do not believe that one size fits all and therefore focus on patient needs and preferences supported by world-class doctors across **55 medical and surgical disciplines**

Premium Experience

You will benefit from priority access to our specially selected world-renowned hospitals and specialist services. Let us take care of your health while you focus on other life challenges.

Our Clinical Lead

We recognize the importance of sub-specialization within disciplines and its influence on clinical outcomes. This is why we are the only healthcare concierge to have developed a specialty specific panel of world-class eminent consultants skilled in the management of conditions.

Each client's case can be reviewed by an international based medical team where necessary to ensure that only the best care is delivered. This provides our clients with the opportunity to have their cases reviewed in a multidisciplinary team setting, discussing various treatment options to determine optimal management and best treatment protocols.

Our services are flexible and include arranging:

- Face-to-face consultations at the comfort of your own home or hotels
- Personalized nursing and personal care services
- Bespoke therapies to fit individual needs

Our programs are for self-paying or insured private patients
